HEALTH AND SAFETY

The Tongaporutu River and Beach area can have dangerous tides and swift currents.
Life Jackets are available in the shed/bach and must be used if using Bach gear.
Please check the tidal times before going to the Beach as you can get cut off by high tides.
Please let us know of any issues so we can repair faults and mitigate or minimise hazards.

BACH GEAR

BBQ
The Weber BBQ with gas bottle is stored on the deck with the spare Gas bottle stored in the Shed.
Urenui Petrol Station and Mokau Whitebait has a gas swap facilities

SOFA
The solid wooden sofa is always on the patio (it can be left on the patio when you leave). The plastic blue cover is placed when left outside.

TV and FREEVIEW (connected via HDMI cord)

1. Turn TV on using SAMSUNG remote (red light goes OFF)
2. Turn Freeview on by using DISH-TV remote (red light goes GREEN)
3. Use the SAMSUNG remote:
4. Press SOURCE button; use arrows to select **"HDMI/DVI";** press Enter.
5. Use the DISH-TV remote to change channels and sound (use the SAMSUNG TV remote to set volume up high)

DVD (connected to TV via AV cords)

1. Turn TV on using SAMSUNG remote (red light goes OFF).
2. Turn DVD player on by using SONY DVD remote (light goes GREEN)
3. Use the SAMSUNG remote:Press SOURCE button; use arrows to select "**AV satellite STB";** press Enter.
4. Put a DVD disc in and play

If the set-up does not work
a) *check the HDMI cable is connecting the TV and DISH*
b) *Check the TV is set to HDMI / DVI*
c) *Please note the devices can take 4 – 5 seconds to respond to remotes*

POWER
The power box is in the Hallway. If power goes out check the fuses - be careful as it is up near ceiling

GAZEBO
Gazebo is stored in the second bedroom in black bag. When windy the shade cover should be removed. You can leave the gazebo up when you leave, just remove the cover.

JIGSAW PUZZLES
Help yourself to any you would like to do

BULBS / BATTERIES / MATCHES / TOOL BOX
In the kitchen cupboard

KAYAK
Kayak is stored at rear of Bach and the paddles are stored in the shed. Life jackets are in the shed

CAMP STOVE
If there is any issue with the electricity there is a CAMP COOKER in the shed. Please follow instructions when using the cooker.

BACH START UP

ACCESS

- The keys are located in two separate Lock Boxes. One is by the front door and the other is on the back wall of the bach by the water pump.

  Lock Box Code: 1961

WATER PUMP

- Turn ON water pump switch (located on the wall outside, near the kitchen window **above the pump**)
- Check the water level in BLACK tank to confirm water is available. If low ring Peter 0273 151 152 (low is about only 30 centimetres left in tank)
- Check water levels regularly and turn the pump off if water gets too low

HOT WATER

- Turn the hot water switch ON (located on the wall outside, near the kitchen window)

STOVE

- Turn stove ON (switch is next to stove)

TOILET

- Put 1 cup of Chloride of Lime down the long drop toilet on arrival and then ½ cup daily. The Chloride of Lime is stored in the Shed.
