HEALTH AND SAFETY

The Tongaporutu River and Beach area can have dangerous tides and swift currents.

Life Jackets are available in the shed/bach and must be used if using Bach gear.

Please check the tidal times before going to the Beach as you can get cut off by high tides.

The Bach is getting old so please treat her with care and respect.

Please let us know of any issues so we can repair faults and mitigate or minimise hazards.

BACH START UP

ACCESS

- The keys are located in two separate Lock Boxes. One is by the front door and the other is on the back wall of the bach by the water pump.

Lock Box Code: 1961

WATER PUMP

- Turn ON water pump switch (located on the wall outside, near the kitchen window above the pump)
- Check the water level in BLACK tank to confirm water is available. If low ring Peter 0273 151 152 (low is about only 30 centimetres left in tank)
- Check water levels regularly and turn the pump off if water gets too low

HOT WATER

- Turn the hot water switch ON (located on the wall outside, near the kitchen window)

STOVE

- Turn stove ON (switch is next to stove)

TOILET

- Put 1 cup of Chloride of Lime down the long drop toilet on arrival and then ½ cup daily. The Chloride of Lime is stored in the Shed.
